Mr. Smith was arrested in Clarksville, Tennessee, on October 4, 2012, for Driving Under the Influence, Implied Consent, and Simple Possession. He tested positive for marijuana on January 23, 2013, February 8, 2013, February 13, 2013, February 26, 2013, and March 10, 2013. Mr. Smith was cited in Clarksville, Tennessee, for Driving on a Suspended License on May 26, 2013. Mr. Smith requested substance abuse treatment, and the Court added a condition for substance abuse treatment on June 17, 2013. He was enrolled in intensive, outpatient substance abuse treatment on June 17, 2013, in accordance with the therapist's recommendation. He has missed 26 group sessions since his enrollment and attended 9 group sessions. Mr. Smith advised that transportation issues are a barrier in regards to his attending substance abuse treatment and testing as directed. Mr. Smith reports employment at Sheem Automotive. He has not provided the probation officer with any required verification of this employment.

On September 20, 2013, the original "Petition for Warrant for Offender Under Supervision" was filed with the Court charging two violations. A "Superseding Petition for Warrant for Offender Under Supervision" was filed with the Court on November 14, 2013, including additional violations/information in Violation Number Two of the original report and Violation Number Three was added.

The Court issued a summons following the original petition dated September 20, 2013. Mr. Smith appeared in Court pursuant to that summons on October 4, 2013, and was released pending the revocation hearing with all previously imposed conditions of supervised release to remain in effect. The revocation hearing was scheduled for November 8, 2013, but was continued on October 25, 2013, with no future date set at that time.

It should be noted that Mr. Smith paid the \$25 special assessment balance on October 4, 2013.

Mr. Smith tested positive for marijuana on October 17, 2013. He admitted use to the probation officer and requested substance abuse treatment. Mr. Smith was evaluated at Centerstone on October 24, 2013. The therapist recommended that he be referred for inpatient substance abuse treatment. The U. S. Probation Office initiated the process of looking into inpatient substance abuse treatment.

As previously stated, Mr. Smith tested positive for marijuana and cocaine on November 17, 2013. He admitted use to the probation officer. The revocation hearing was scheduled for November 25, 2013. A joint motion to continue the revocation hearing was filed on November 22, 2013, advising the Court that Mr. Smith continued to test positive and requested that the revocation hearing be continued for 60 days to allow additional time to pursue inpatient substance abuse treatment. The Court granted the motion on November 23, 2013.

Mr. Smith tested positive for marijuana and cocaine on December 3, 2013. He admitted use to the probation officer. He was instructed to complete the inpatient substance abuse assessment process required by Lloyd C. Elam Center by December 11, 2013. According to Mr. Smith, an assessment was completed at the Lloyd C. Elam Center on December 11, 2013. He will not be admitted for inpatient treatment for approximately four to six weeks.
